

Work-3

v1.1 - 30-Nov-2019

- octopus.dot file generation **disabled**, as it is not needed.
- Document is generated with the output image file - output.png .

v1.0 - 30-Nov-2019

- octopus.dot & octopus.png files generated as output.
- button linked to run.bat file, where it also opens the image after executing the code.
